Lightales è una serie di lampade che raccontano una favola.
Quando si accendono, illuminano i sogni nelle camere dei
più piccini e non solo.

Lightales is a collection of lamps that tell you a story.
Once lighted up, they illuminate the dreams in the rooms of
the little ones and not only.

Le lampade Lightales nascono dall'interazione fra progetto e illustrazione: spenta un prezioso oggetto di design; accesa una favola.

Lightales lamps are born from the interaction between design and illustration: a precious design object when turned off; a tale once lighted up.
